

Level 3 HACCP for Manufacturing– Training Course

Highfield Awarding Body for Compliance Accredited Course - UK

COURSE OVERVIEW:

The Level 3 HACCP for Food Manufacturing is aimed at those responsible for assisting in the development and maintenance of the HACCP systems. Holders of the qualification will have the knowledge necessary to be an integral part of a HACCP team in the manufacturing and other related industries, for example those involved with the distribution and storage.

The Course is also suitable for those owning/managing smaller food businesses to give them the underpinning knowledge to develop a HACCP study. The qualification is intended predominantly for learners already working in manufacturing, with a sound knowledge of food safety hazards and controls. HACCP is regarded by the Foods Standards Agency as being important to maintaining good practice in the production of safe food.

COURSE ASSESSMENT:

This qualification is assessed through a 60-question multiple-choice question examination. The duration of the examination is 2 hours.

Successful learners must achieve a score of at least 40 out of 60. Learners will achieve a Merit if they achieve 50 out of 60.

Following the assessment, a list of results will be provided to the Centre Contacts stating whether learners have passed or failed. Certificates for successful learners will be dispatched for distribution by the Centre Contacts.
