Dear Yasser Dahab Bargy:

Welcome to the IEEE Student Branch program! On behalf of the Member and Geographic Activities Board, we have approved your petition to form an IEEE Student Branch at the Arab Academy for Science Technology & Maritime Transport - Aswan.

Your Student Branch is located in Region 8 and your activities will be of interest to the volunteers listed below:

Costas Stasopoulos, Region 8 Director
Mona Ghassemian, Region 8 Student Activities Chair
Christian Schmid, Region 8 Student Representative
Ahmed Darwish, Egypt Section Chair
Nevin Darwish, Egypt Section Student Activities Chair

Your Student Branch code is **STB16971** and your School Code is **60102890**. Please be sure to use them on all correspondence and reporting forms. To ensure that the students are properly assigned to your Student Branch, they should join IEEE online at <http://www.ieee.org/join> and use the school search to find the school name Arab Acad for Sci Tech & Maritime Trans – Aswan.

Once again, congratulations. If Member and Geographic Activities can be of any assistance to you, please do not hesitate to contact us for assistance or information.

Sincerely,

Cecelia Jankowski
