

ROV Egypt Regional Contest Final's

Mansoura University the Champions and the AAST the First Runner Up In the “Explorers” and Notions Development Academy the “Rangers Champions”

Mansoura University ended the “Explorers” contest with 105 points to flying solo in the first place after three hard days of competition with the AAST team that ended the contest with 100 points to come a first runner up while the Higher Technological Institute comes in the third place.

In the “Rangers” contest, Notions Development Academy impressed everyone by their well-trained school students that end the contest with 105 points as the “Explorers” do and is well deserved to represent Egypt and the Arab region in the International Contest that will be held in the United States in June to join Mansoura University and AAST teams that will represent the region too but in the “Explorers” contest.
